

Acer rubrum 'Fairview Flame'

Height	8-10 m
Width	6-8m
Crown	ovoid / egg-shaped, dark, dense crown
Bark and branches	grey
Leaf	green
Autumn colour	red
Flowers	red, flowers in March
Fruits	red, inconspicuous
Spines/thorns	None
Toxicity	usually not toxic to people, (large) pets and livestock
Soil type	loamy soil, sandy soil, acid soil
Paving	tolerates partial paving
Winter hardiness zone	4 (-34,4 to -28,9 °C)
Wind resistance	bad
Other resistances	resistant to frost (WH 1 - 6)
Application	avenues and broad streets
Shape	clearstem tree, multi-stem treem

Another red maple that was selected for its splendid autumn colours. 'Fairview Flame' turns a beautiful deep red in autumn. It is a fairly vigorously growing tree with a regular, pyramidal crown that droops somewhat and becomes rounder when mature. The summer leaf is a shiny dark green with a slight red tint. Highly suitable as a street and park tree. Also fine for use along driveways. Its growth will stagnate on calcareous soil. In such soil, as with very dry soil, the autumn change of colour will be less noticeable. Intolerant to (sea) wind.
